

REMARKS-General

1. The applicant acknowledges the allowability of originally filed claims 9-20. The newly amended claims 21-32 incorporates all structural limitations of the original claim 1 and includes further limitations previously brought forth in the original allowable claims 9-20, including any intervening claims. All claims 21-32 are submitted to be of sufficient clarity and detail to enable a person of average skill in the art to make and use the instant invention, so as to be pursuant to 35 USC 112.

2. With regard to the rejection of record based on prior art, Applicant will advance arguments to illustrate the manner in which the invention defined by the newly introduced claims is patentably distinguishable from the prior art of record. Reconsideration of the present application is requested.

Response to Rejection of Claims 21-32 under 35USC112

3. The applicant submits that claims 21-32 particularly point out and distinctly claim the subject matter of the instant invention, as pursuant to 35USC112.

The Cited but Non-Applied References

4. In view of the above, it is submitted that the claims are in condition for allowance. Reconsideration and withdrawal of the rejection are requested. Allowance of claims 21-32 at an early date is solicited.

5. Should the examiner believes that anything further is needed in order to place the application in condition for allowance, he is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
